

Resources for Zambia

Tracy Singleton, minister to pastors in Zambia, has requested support from our church in the form of pastoral resource materials. Pastor John has helped the International Ministries Team identify pastoral resources that would meet Tracy's need. Additionally, Karen Singleton has stated that she would welcome a particular resource as she ministers to children in Zambia. **You will find this and the other resources listed below and on the reverse side for your reference.**

Your International Ministries Team is requesting that you prayerfully consider providing one or more of the following books by **Thursday, November 25th** for delivery to the Singletons. There will be a container within the foyer through that date for your use. We do not intend on providing receipts for these materials since they will go directly to ACTION Zambia Ministries via a shipping container being organized by Chapel Library in Florida.

Please note that we welcome multiple copies of these resources. If a resource is given that is not on the list below, the church leadership will review the material before shipping to Florida. Any resources not sent to Florida will be given to Goodwill in Janesville.
