

# **Jesus: Who is This Man?**

John 5:19-29

Main point: Jesus is the unique Son of God, therefore we should...

I. Honor him (19-23)

II. Believe in Him (24)

III. Trust Him (25-29)

### **FOR FURTHER THOUGHT:**

1. Reread John 5:1-18. Discuss a few of the reasons why the healing of the man at the pool was so amazing. According to the text, why did the Jews find Jesus' actions so offensive?
2. In verses 19-23, what insight does Jesus give them regarding his actions?
3. How does verse 23 speak to claims made by some religions that Jesus was just a man?
4. What does verse 24 teach us about the nature of a right response to Jesus?
5. How do verses 25-29 help us to understand the present and future of work of Jesus in the life of a Christian?
6. How do verses 19-29 help us better understand verse 14?
7. In verse 20, Jesus indicates that God would show Jesus greater works so that they might marvel. In verse 28, Jesus tells his listeners not to marvel. What does it mean to marvel at something? What do you think is the distinction Jesus is making between those two verses? What things do you find yourself marveling at in your own life?
