

Declare the Greatness of God

Isaiah 6:1-8

1. The real king sits on his throne...
2. forgiving rebels...
3. who respond with grateful praise

FOR FURTHER THOUGHT:

1. Can you recall what we say our mission is at RHCC? Do you agree that this should be our mission? How well should each of us know this mission? Why?
2. What are the dangers of missional drift in a church? What ways have you personally seen our church (or other churches) drift off mission? What can we do to remain on mission? Why is “duty” an insufficient motivator to fulfill our mission?
3. What “year that king Uzziah died” (time of upheaval and uncertainty) have you been through lately? How would (or were) you helped by knowing that the Lord is on the throne?
4. Do you struggle to see Jesus on every page of the Bible? What things have helped you see him clearly?
5. Where and to whom and in what ways is God calling you to declare who he is? Pray as a group that God would give you the courage and the wisdom to declare his glory to the people whom he sends you in all the way he gives you.
