

What Repentance Looks Like

Nehemiah 9

When we realize who God is, we can have confidence to come to Him despite who we are.

1. “Lord, You are...”

2. “Lord, we are...”

FOR FURTHER THOUGHT:

1. What attribute of God has stood out as really significant for you lately? (Some suggestions: holy, gracious, just, all-powerful, all-wise, unchanging, merciful)
2. Work through the passage paragraph by paragraph, looking for the attributes of God that underlie each one. What attribute stands out in Neh 9:5-6? 7-8? 9-12? 13-15? 16-18? 19-21? 22-25? 26-31?
3. What difference do those same attributes make for us today?
4. On the basis of God's attributes, what do the people do in v32-38?
5. On the basis of those same attributes, what are we told to do in Hebrews 4:14-16?
6. Spend some time in prayer, completing the sentences below:
 - When I think of the universe You've created...
 - When I think of Your sending Jesus for me...
 - When I think of how You pursued me to make me Your own...
 - When I think of my tendency to fall into sin...
 - When I think of the blessings You've given me...
