FOR FURTHER THOUGHT:

1. How does the Gospel of Jesus Christ change the way we see God and others?
2. Why is this helpful in giving us a right perspective in life?
3. Why does Jesus' reconciling work in our lives motivate us for mission?
4. Is your role as ambassador for Christ primary? Why or why not?
5. According to verse 21, what is being exchanged at the cross of Christ?
6. Why is this so humbling, yet also beautiful?
7. Why does Paul emphasize the fundamental nature of the Gospel as a motivation for our missionary work?
