

# **God Is Honored When We Are Aligned With His Mission**

Romans 1:14-17

*Jesus Christ is the only instrument of God's Mission*

1. Call to Mission
2. Context of Mission
3. Fruitfulness in Mission
4. Partnership for Mission

## FOR FURTHER THOUGHT:

1. What is God's mission and how is it being accomplished in our world today?
2. How does being conformed to the image of Christ and proclaiming the gospel go hand-in-hand?
3. According to Jesus, when will the end come? How should that impact the way we live our lives today?
4. Where does the fruit come from our involvement in the mission and how should this influence our missional efforts?
