## FOR FURTHER THOUGHT:

1. In your own life, what are some principles of a godly life that would help you try to discern if an opportunity was God's providence or a temptation?
2. When in life have you taken the wrong action because of impatience? How can you learn from that experience?
3. Can you identify the main stressors in your life that generate impatience for you? What do you think needs to change in your heart for you to develop the virtue of patience?
4. Can you think of a situation in your own life when God's providential intervention saved you from a wrong course of action? What was your response in the moment? How should moments like that impact your prayer?
5. Read Psalm 18:1-3. How does it impact you to know that God stands to defend us? How does it impact you to know that God has already defended us in Christ Jesus (Romans 8:1)?
