## **FOR FURTHER THOUGHT:**

1. What does it look like for you to be led by Pastor Steve?
2. What would it look like for a pastor to lead in a way that is "not under compulsion" from 1 Peter 5:2?
3. What does it practically look like to "encourage one another and build one another up" from 1 Thessalonians 5:12-13?
4. What could this look like for our church in relationship with Pastor Steve?
5. What are some ways that you could be praying for River Hills & Pastor Steve in this transition?
