

The Lord Who Provides

Genesis 22:1-19

1. _____ (vs. 1-10)

2. _____ (vs. 11-14)

3. _____ (vs. 15-19)

FOR FURTHER THOUGHT:

1. How do you see Abraham taking deliberate steps of trusting obedience in Genesis 22?
2. Take a few moments to discuss why God's request in v.2 would have been so shocking and difficult. In what way was it a call for Abraham to sacrifice himself?
3. What is the purpose of a burnt offering? (See Lev. 1:1-17) What is the significance?
4. How does the wording in v.2 foreshadow Christ in passages like John 3:16; Rom. 8:31-32; and 1 Pet. 1:19-20?
5. How does James 2:14-26 use Abraham as an example of genuine faith? How do Abraham's actions display that his faith was genuine?
6. How does the reality of Easter help us live in obedient faith today?
7. How does it give Christians assurance of God's blessing in this life and the next?
